

# In the Supreme Court of the State of Alaska

**Alaina Adkins and Maxim Healthcare  
Services and Inc.,**

Appellants,

v.

**Jesse Michael Collens,**

Appellee.

Supreme Court No. **S-16930**

## **Order**

Expedite Consideration

Date of Order: **9/26/19**

---

Trial Court Case No. **3AN-14-05961CI**

Maxim Healthcare Services has filed a motion for expedited consideration of its motion for full-court reconsideration of the individual justice motion conditionally granting its motion for a stay pending a petition for a writ of certiorari. Maxim requests a decision by September 27, 2019. Jesse Collens does not oppose the motion for expedited consideration. But four members of the court are traveling on business this week, and it is unlikely that a decision can be reached in the next two days.

**IT IS THEREFORE ORDERED** that the motion for expedited consideration is **GRANTED**. The motion for reconsideration will be decided without delay. In the meantime to protect the status quo, execution of the superior court's judgment is **STAYED** pending a decision on the motion for reconsideration.

Entered by direction of an individual justice.
